ICON has worked with Univest on several occasions since 2011, most significantly on the UEFA European Football Championships 2012 and more recently on the first ever European Athletics Games in Baku in 2015.

As a company we have worked with hundreds of suppliers all around the world but Univest stand out as one of the very best to work with.

Their professionalism, efficiency and expertise when combined with their friendliness and enthusiasm enabled us to create very successful partnerships with them and I personally hope we will have the opportunity to work with them again in the future.
